**Fir Tree, St Marys Drive  
Playford, IP6 9EB**

One of my earliest memories, although now rather dim is at the age of four watching the Queen's coronation on television. My father worked with radios and had managed to buy one of the first television sets so that we could see the event. The television was in a cabinet with a small nine inch screen that reproduced images in black and white. To make sure that I didn't forget the event I was also given a commemorative crown worth an impressive five shillings in those days, and a small model of the coronation coach complete with horses and their riders. Throughout my childhood it was one of my "treasures". In honour of the 60th Anniversary of the Coronation I recently placed it on my dressing table as a reminder.

When I was training to be ordained an elderly priest said to me that despite all the training you don't really know that God has called you to priestly ordination until the bishop lays his hands on your head. I suspect that the coronation was rather like that for Princess Elizabeth. Of course she legally became Queen on the death of her father, but maybe that first year was one of great upheaval and preparation as she made the spiritual and secular preparations necessary for her coronation. Her vocation was confirmed and affirmed as she made her vows before God and was anointed by the Archbishop in Westminster Abbey.

The making of life vows in the 1950's really was just that. After a period of study and preparation those seeking the religious life - monks and nuns - took

vows that would be valid until the day of their death. In the unusual case of someone wanting to be released from those vows a lengthy and difficult process had to be undergone, before they were free. A few years ago I spoke to the Mother Superior of a convent in Oxford and she mentioned that no longer do girls ask or expect to take vows that last for life, and so the traditional monastic way has seen some changes. The same is true of marriage, the majority of couples made life vows to each other for better or worse. It is only as we look back on occasions such as this that we are reminded how life was lived some 60 years ago and realise how much it has changed. We now live in a pick and mix society and when circumstances around us change, we often expect to adjust our way of life to conform.

Whether we support the idea of a monarchy or not I believe that we should commend and thank our Queen for the sacrifice and vision that she has demonstrated and for her determination to move with the times without losing her integrity. She has provided stability in our ever changing country in a way that no one else could.

On Sunday June 2nd we shall remember and give thanks for the life and work of the Queen during the morning service in Playford Church.

*Pauline*

**TOWN CONCERT**  
**GRUNDISBURGH PRIMARY SCHOOL CHOIR**  
At Museum Street Methodist Church  
Thursday 13 June 2013 1pm to 1-50 pm

The children at Grundisburgh Primary, a small village school near Woodbridge, enjoy a wealth of musical activities, including a choir, an orchestra, a handbell group and African drumming group, along with instrument lessons in wind, brass and strings. Pupils have the opportunity to perform regularly, both in concerts at school and further afield, such as the Corn Exchange in Ipswich and at Farlingaye High School. They enjoy making music together and sharing it with others.

The kettle will be on the hob at 12.30pm. Although admission is free, a retiring collection of £2.00 will be appreciated. This is to defray expenses incurred in hosting the series.

## MANAGING SUFFOLK'S FLOOD RISK

**Suffolk's Flood Risk Management Strategy** is an important new tool to help everyone understand and manage flood risk within our county. The strategy summarises information on the risk of all types of flooding in Suffolk and ways to manage that risk.

The activities identified in this strategy can only manage flood risk. It would not be possible, even if there was unlimited money available, to protect all properties from any flood risk. Instead efforts need to be made by all involved, organisations and householders alike, to help reduce flood risk in practical ways.

- ◆ Keep watercourses free from debris and unnecessary structures. Talk to Suffolk County Council if you want to put in a culvert or any other structure in a watercourse.

- ◆ Avoid paving over your garden unless you use suitable permeable surfaces.

- ◆ Help to keep rain water out of the drains by using water butts, green roofs, rain gardens, etc.

- ◆ Don't wash cement, fats and oils down your drain as this can block them increasing the risk of flooding.

- ◆ If you are building a property, talk to your local council about sustainable drainage at the earliest possible stage.

- ◆ If you have flood defences on your land, consider whether you can help to maintain them. Speak to Suffolk County Council if you need help.

- ◆ Be aware of the risk of flooding in your area. If you are at risk, sign up for flood warnings and keep a watch out for weather warnings. Prepare a plan of what you will do if a flood is forecast.

To find out more visit [www.greensuffolk.org/floods](http://www.greensuffolk.org/floods), email [floods@suffolk.gov.uk](mailto:floods@suffolk.gov.uk) or telephone 01473 260929.

## ANGLO-WELSH PARTNERSHIP CYCLE HOME FOR CANCER

When local man Mr Oliver's (Marty Oliver) mother was diagnosed with cancer in the spring of 2012 and followed closely by his mother-in-law August 2012, the Oliver household were determined to "do their bit" for charity. With support from close friend (Karl Lucus-Harness), the Anglo-Welsh duo planned to cycle the entire width of England and Wales for charity.

Karl and Marty's determination was compounded in December 2012 when Marty himself was diagnosed with testicular cancer.

Unperturbed, the duo will be attempting to raise money for Cancer Research as "We understand that cancer indiscriminately affects so many of our loved ones and in so many ways. So it was important for us to choose a charity where the benefits are shared by everyone affected, and why we chose Cancer Research UK".

The Coast-to-Coast route will span the entire width of two Countries, between Felixstowe and Aberystwyth, over 5 days and circa 350 miles.

For those wishing to show their support Karl and Marty, supported ably by Marty's wife Sarah. They will be departing from old Felixstowe pier on the 18<sup>th</sup> of August at 9:30am, and arriving at Aberystwyth Pier at approximately 4:00pm on the 22<sup>nd</sup> of August "All being well!"

The duo would also like to add "Your sponsorship and support will keep Karl and I motivated, and know we are not alone during this challenge. We would appreciate your support at the start/finish line and a sincere thank you to all those who have donated and supported us along the way".

You can follow their progress and donate by visiting [www.justgiving.com/CycleOutCancer](http://www.justgiving.com/CycleOutCancer) or simply text "FToA99 £5" to 70070 on your mobile phone.

*(Marty and Sarah were married in Great Bealings Church in August 2011—Ed)*

## **DON'T LET WASPS RUIN YOUR SUMMER**

The sun finally comes out, and along with it come the dreaded wasps. Wasps can be a real nuisance in the summer months, spoiling barbecues and picnics and making you feel uneasy and wary when you are trying to relax in the garden – especially if you have young children running around.

Some wasps feed on flower nectar so if you have a lot of flowers in your garden you may find wasps are attracted to your home for that reason. Wasps also feed on other insects such as green fly and a swarm of wasps can strip a dead bird of its flesh in a matter of hours.

It is generally towards the end of the summer that wasps become a real nuisance to people as their feeding habits change and they seek sweeter foods sources.

**WHY DO WASPS SWARM?** It is estimated that there can be as many as 1000 wasp nests per square mile. Wasps from different nests are competing for food for survival and will fight for that food. A lone wasp cannot exploit a food source if it is also being attacked by competing wasps. Therefore, a lone scouting wasp will bring back its colleagues from the nest to participate in feeding. The swarm will continue to feed from an identified food source until that food is exhausted.

**SPHEKSOPHOBIA** Many people are scared of wasps, perhaps relating the sight and sound to an unpleasant childhood experience when they were stung and remembering it was very painful.

Others are scared of wasps for a very different reason; in some people a wasp's sting can provoke a severe allergic reaction and send them into what's called 'anaphylactic shock' – a sudden, almost instantaneous and potentially very serious allergic reaction that can involve the whole body.

Due to their aggressive reputation many people often forget that wasps also spread disease in much the same way as flies, picking up bacteria from faecal matter, which they then transport onto the food that they land on.

**MAKING YOUR GARDEN A SAFE HAVEN** Through their stinging and generally annoying behaviour, wasps manage to earn themselves a pretty bad press, but it is important to remember that they are a vital part of your garden's natural balance and the eco system as a whole. They feed on aphids and small insects that might otherwise wreak havoc amongst your plants.

That said, having a garden full of wasps is no fun for anyone so, to encourage your wasps to go elsewhere follow these simple tips:

- Ensure that dustbins have tight-fitting lids, and keep them closed!
- Keep food and drinks covered
- Pack away unfinished foods, clear up food debris and wipe down spillages
- Clear fallen fruit from your garden
- A professional pest controller can advise on the effective use of outdoor wasp traps
- If you think you have a wasp nest in your home or garden arrange to have it removed professionally before it becomes a nuisance

**AND WHAT NOT TO DO!** Wasp venom contains an alarm pheromone. This means that when a wasp has stung something or been killed, other wasps will become more aggressive.

So remember, there may be a 'sting in the tail' for you upon pelting that pesky wasp with your rolled-up newspaper!

*There is lots more information about problem wasps on our website [www.eandspestsolutions.co.uk](http://www.eandspestsolutions.co.uk) or if you prefer to speak to a human, please feel free to contact us for further advice or assistance on 01473 328092 or 07979 301334.*

## BEALINGS

---

### BEALINGS WI

At our April meeting Richard Wright gave a most informative talk outlining his journey from a country background in Norfolk to farming, then pigs and alas swine fever leading to the need to diversify. An adventure into creating exclusive oil lamps, learning marketing and internet skills along the way and finally his latest venture- producing "green" packaging materials using popcorn mixed with dried flowers and leaves grown on the farm.

Programme secretary Sandra Banham told members of alterations to the summer programme and a proposed evening visit to a local food store.

At the May meeting Sister Marion Davey told us about Apostleship of the Sea and her role as chaplain to seafarers, covering a large area including King's Lynn and the Port of Felixstowe. In days gone by the British Merchant

fleet was very large, but now ships coming into British ports have international crews mainly from Asia and developing countries. Far from home the men work long hours at sea with little support. This is where Sister Marion is able to help: talk to the crew, share problems and offer material and spiritual aid. On a practical note, warm knitted woolly hats are always eagerly accepted. A most enlightening talk delivered with compassion and humour.

Members' photographs entered at the recent WI Camera Club competition made a colourful display, and the Market Stall offered a variety of bargains.

Regular Coffee Get-togethers have been appreciated through the long winter months. However, our coffee in May was enjoyed in a member's garden in glorious sunshine!

## GREAT BEALINGS

---

### ST MARYS

As we write this in mid-May it is still sweater time, with the sun all too reluctant to offer much warmth. At least everything has now turned green and we hold our collective breathe, hoping that real summer may eventually materialise. Cuckoos have been heard and the swifts are swooping and wheeling above Lower Street, so it's on its way.

### LOOKING BACK THE PLANT SALE

We managed to insert a stop press item in the May Magazine, but, just for the record, may we thank again all those who contributed in whatever way to the raising of some £1800 in not very auspicious circumstances.

### MEETING OF CARLFORD GROUP

### CHURCHWARDENS

James Hall convened a meeting of Churchwardens in the Group, with hospitality kindly provided by John Dyter at his home in Hasketon. Much of the meeting revolved around the comparing of notes: problems and challenges, communications (including Newsletters etc), assessment of the attractiveness of various services, range of church-based activities, support from the local community etc. It was reassuring to discover that the situation within our Benefice in general and Great Bealings in particular compares well with other parishes and groups.

### INDUCTION OF CHURCHWARDEN

The service for the induction of Churchwardens was held on Tuesday 14<sup>th</sup> May at the Church of St Peter and St Paul in

Aldeburgh. Archdeacon Ian gave an amusing, powerful and persuasive address. That, plus lavish refreshments afterwards, might almost have been sufficient to persuade someone else to join your current churchwarden in taking on these duties! The theme of the Archdeacon's talk was that churches should not be allowed to be stuck in the past, but that modern generations needed to engage "playfully" (his word) with them, taking ownership not only of the architectural qualities of the churches, but also of the spiritual values that they have symbolised over the centuries and which are still valid today. This is very much in the spirit of the programme organised by FOGBC.

**CHURCHYARD - Proposal for a summer rota of grass-cutting**

We do our best to keep the grass paths cut throughout the summer, so as to enable visitors to walk all the way round the churchyard. To do this, we need to arrange for a cut every two or three weeks. It would be very helpful if people with spare energy might offer any of the following weeks:

Weeks beginning:

June 3 <sup>rd</sup>	June 24 <sup>th</sup>
July 15 <sup>th</sup>	
August 5 <sup>th</sup>	August 26 <sup>th</sup>
September 16 <sup>th</sup>	

I am more than happy to explain the operation of the mower to first timers, so as to ensure that we have a small team of experienced operatives.

Do please get in touch if you can find a spare hour to help out.

And – provisionally – I would like to look at the morning of **Saturday October 5<sup>th</sup>** for the Autumn clear up and Ploughman's Lunch.

*Churchwarden*

**PARISH COUNCIL**

These are condensed notes of the proceedings of the Great Bealings Annual Parish Council meeting held on 7<sup>th</sup> May 2013. A full version of the minutes appears on the website: [www.greatbealings.co.uk](http://www.greatbealings.co.uk)

**ELECTION OF CHAIRMAN AND OFFICERS**

Chairman	Mr Eric Barnett
Vice Chairman	Mr Colin Hedgley
Footpath Officer	Mr Craig Robinson
Tree Warden	
	Mr Julian Haywood Smith
Village Hall Rep	Mrs Sally Johnson

**MATTERS ARISING FROM THE MINUTES**

Mr Colin Hedgley reported that he has attended the most recent 12PT police meeting in Kesgrave where the problem of speeding cars in Boot Street was discussed. He has managed to get this on the Agenda at the next 12PT police meeting and suggests that as many people as possible attend the police meetings held locally as it is apparent that priorities are decided via these meetings. Mr Colin Hedgley will continue to represent the Parish Council at the 12PT meetings.

**EAST ANGLIA ONE WINDFARM**

An email has been received from Mr Philip Watkins informing Councillors that the HDD method of laying the cable in The Bealings is not proving possible due to the sandy soil conditions. Consequently they are proposing the open cut method (with the exception of still going underneath Lodge Road). They are proposing to consult on this and further traffic analysis and present to the villages during the consultation period which runs from the 17th May to the 16<sup>th</sup> June 2013. Date of presentation to be confirmed.

**1 and 2 Wood Barn Cottages, Seckford Hall Road, Great Bealings, IP13 6NX**

Variation of Condition 2 of C12/2214 to enable drawings 1910-23B, 1910-27D, 1910-26C and LSDP10860.2 Rev B to be substituted for those cited on the decision notice and increase the level of accommodation within the previously approved drawings.

Mrs Ann Barrett and her daughter expressed their concern about the water supply and the possibility it may be reduced. They were also concerned about the increased traffic to the footpath. It was resolved to object to the planning application and pick up on these concerns.

### **HIGHWAYS**

There are no funds available to raise the Bund however should residents wish to raise the funds themselves (cost £1,000 approx.) Mr Derek Oldham has said he would issue an order to contractors for traffic management which will be needed. Consent will also need to be obtained from the Environment Agency and he would be happy to meet with them if required.

A letter has been written to Mr Nigel Rolph regarding the water run off from one of his fields which could be dealt with if the ditch was dug out. Mr Derek Oldham will arrange a site visit with Mr Rolph to determine whether this is a ditch that SCC maintain.

A damaged and fallen signpost is down at the junction where the C325 meets the C324 in Great Bealings. This has now been reported.

A new notice board is required for Boot Street. The suggested location for it is the corner of the Grundisburgh Road/ Boot Street. Quotes to be obtained.

### **NEIGHBOURHOOD PLAN**

Mr Charles Barrington had reported on this item earlier at the Annual Parish Meeting. (Please see APM notes to refer to discussion). Councillors agreed to meet the cost for the hire of the Angela Cobbold Hall for a public exhibition

on Friday 14<sup>th</sup> June, 4pm – 7pm and Saturday 15<sup>th</sup> June, 9am – 12am.

### **FINANCE**

Cheques were signed for Bealings Village Hall for the hire of the Committee Room; Subscriptions to Community Action, SALC and NALC; and annual donations to Benefice Newsletter, Bealings Village Hall and appointed charities.

The Parish Council were happy to support the release of funds from the Outdoor Playing Space Sports Fund money (£886) to support the Village Hall Management Committee in remedial works on the Court in the Playingfield.

The precept referendum bill second reading has been delayed and is scheduled for 8<sup>th</sup> May. The Parish Council wrote to Dr Therese Coffey opposing a cap.

The Annual Return and Statement of Accounts 2012/13 were approved by Councillors and signed by the Chairman and Clerk. These have been internally audited by Mr Paul Gardiner and are due to be sent to the external auditors shortly.

### **DATE OF NEXT MEETING:**

**9<sup>th</sup> July 2013**

## FRIENDS OF GREAT BEALINGS CHURCH

### FARM FAIR - Saturday September 21st

As many will now know, we are set to repeat last year's very successful Farm Fair at Rosery Farm. It is never too early to start planning for an event on this scale so we are asking at this early stage for village residents to think about two things:

1. **POSSIBILITIES FOR MORE STALLS.** Do you know of anyone living inside/outside the village who might be interested in having a site? Charitable, craft, environmental etc – usually in exchange for a donation.
2. **HELPERS.** If we are to repeat the scale of last year's event, we need many more helpers. This is an event which puts the whole village on show, so we hope to engage the services of as many people (and their non-village friends too) to help in a variety of ways. Norman Porter has a list of times and jobs and will be enlisting the help of as many people as possible, even if only for a couple of hours. Even better: be pro-active, and offer your services.

### LET THERE BE LIGHT

Thanks to George Ball for his support - Spring was welcomed on April 24<sup>th</sup> – wish it could have stayed!

The Moons sponsored the lights for St George's Day on Tuesday 23<sup>rd</sup> April and Anzac Day on Thursday 25<sup>th</sup> April.

Thursday 24<sup>th</sup> May. Special dates like this don't come around too often, so the lights shone extra brightly for the Diamond Wedding anniversary of Rosalind and Hans Fleck, long-time residents of "Bumbles", Sandy Lane, Little Bealings. Many congratulations and very best wishes from us all!

Support All Saints by marking your special dates in light. £5 or cheque payable to Little Bealings PCC will work the magic.

### GIFTS TO ALL SAINTS

We have received two gifts recently for our church. A new notice board which has been fixed to the church tower has replaced a similar, but very old and rotten one. This has been given by his wife, in memory of Geoff Bills who was churchwarden from 1999 to 2011. The work was carried out by George Ball a resident of this parish. We are very grateful for this special gift.

The Boughton family have given a beautiful oak pedestal to our church in memory of their mother and father, Bill and Marguerite Boughton who worshipped at All Saints for many years

The pedestal will enable us to display our paschal candle as well as the five Advent candles during Advent. It can also be used for floral displays between these times.

Both these gifts are waiting for a plaque to be attached to commemorate these past worshippers of our church

### **PARISH COUNCIL**

**Notes of the Parish Council Meetings  
held on 2 April and 13 May 2013**

#### **ELECTIONS AND APPOINTMENTS FOR 2013/14:**

Chairman: Ferial Rogers, Vice Chairman: Margaret Wilson, Village Hall Management Committee Representative: Toni Cornish, Suffolk Association of Local Councils Representative (SALC): Ferial Rogers, Footpath and Tree Warden: Jenny Cook, Webmaster: Jenny Shaw, with Margaret Wilson.

#### **PARISH COUNCIL VACANCY**

The resignation of Peter Carr from the Council was noted. The vacancy had been advertised by SCDC and a new Councillor will be co-opted to the Council. A letter of thanks would be sent to Mr Carr, for his work as a Councillor.

#### **ADOPTIONS**

The internal audit for 2012/13 had been completed. The internal audit process was reviewed and considered effective and appropriate. The accounts for 2012/13 were adopted. The return to the external auditor was approved. Standing Orders and Financial Regulations were adopted for 2013/14.

#### **PLANNING APPLICATIONS**

**C13/0393 Stables opposite Brimar, The Street: Change of Use to Riding Establishment**

At its meeting on 2 April the Council resolved to object to the application in view of the lack of parking provision, the impact on the local road network which could not accommodate the amount and type of traffic which may be generated, and the lack of information regarding lighting, visitor and horse numbers, accommodation and hours of use. Following the receipt of more information from SCDC the application was considered again at the meeting on 13 May. It was resolved that there was no objection subject to conditions limiting the number of horses, the hours of operation and parking provision, as SCDC had now proposed, and the provision of a new warning triangle sign to warn drivers of children at the site.

**C13/0180 Kesgrave High School, Main Road, Kesgrave: Retention of Floodlights to new Artificial Grass Pitch in the School Grounds**

SCDC had approved this application, on the Chairman's casting vote.

**C12/2254 Part East Garden, Woodside, Martlesham Road: Erection of New Dwelling and Garage within the garden of Woodside**

SCDC had refused this application.

**C12/2483: Finches Hill, The Street: Certificate of Lawful Use for a swimming pool enclosure**

SCDC would be asked about the delay in determining this application.

**C13/0676 Wood Barn Cottages, Seckford Hall Road, Gt Bealings: Variation of Condition 2 of C12/2214 to increase the level of accommodation**

It was agreed to maintain the Council's objection on the same grounds as to the previous application which replaced agricultural cottages and barns with residential development, in view of possible impact on Lt Bealings.

**C13/0758 The Dower House, Manor Farm Lane: Erection of first floor side extensions, internal alternations and detached garage**

There was no objection to this application.

**C13/0801 Lime Tree Cottage The Street: Erection of conservatory to side/rear elevation**

There was no objection to this application.

**EAST ANGLIAN OFFSHORE WINDFARM CABLING ROUTE AND CONSTRUCTION DEPOT**

Site survey work had led the applicants to revise their proposed horizontal direction drilling for crossing Lodge Road. Traffic and Transport Plans had also been published. A further public consultation was therefore being carried out, until midnight on 16 June. Details are available in Ipswich and Woodbridge Libraries and at: [http://eastangliaone.eastangliawind.com/application\\_documents.aspx](http://eastangliaone.eastangliawind.com/application_documents.aspx)

The applicants are holding a public presentation to all residents in Bealings Village Hall at 6pm on Thursday 6 June.

**FOXHALL STADIUM OPERATING FORMULA**

A resident was concerned about the noise generated by speedway and stock car events, especially on Saturday evenings. It was noted that the operating formula which governed the number, type and timing of events, with a view to controlling the noise disturbance, was due for renewal in December 2013. It was agreed to contact other parishes nearby to see if they shared the concern about noise, with a view to holding a joint meeting before the renewal consultation was started by SCDC.

**GREAT BEALINGS NEIGHBOURHOOD PLAN**

SCDC had consulted on the appropriateness of the area to be covered by the plan, which matched the parish boundary. Clive Rowe was appointed the Council's representative on the Great Bealings Neighbourhood Plan Working Group, in response to an invitation from Great Bealings Parish Council.

**PLANNING STATUS OF THE PARISH**

It was agreed to investigate whether, in view of the closure of The Admiral's Head, the parish's status in the LDF as a 'Local Service Centre' was still appropriate.

**POLICE**

A report from PCSO Justin Moss advised that there had been one crime in the parish since the previous Council meeting: theft of heating oil from a property in The Street. He was awaiting a response from Bealings School to his offer of road safety advice in respect of parking and pedestrian safety.

**HIGHWAYS**

SCC had again been asked for an update concerning the raised kerb/drain and the condition of the verge in The Street, but no response had been received. There was also concern at the damage being caused by the amount of ivy on some trees, especially between the level crossing and the Hall Road crossroads. This would also be reported to SCC.

**FOOTPATH SURFACE CUTTING**

This would be carried out by Mr Ball and funded by SCC. There was budget for two cuts, in May and July.

**FINANCE**

Income: first half of the precept from SCDC: £3012.61. Cheques were signed for donations for 2013/14 to the Benefice Magazine, Bealings Village Hall, John Belstead Playing Field and the internal auditor, and for the Clerk's

salary and expenses and PAYE, Data Protection Act registration and membership of Suffolk Preservation Society, SALC and Community Action Suffolk. It was agreed to donate left-over Parish Plan funding to the John Belstead Playing Field. A request from the Village Hall Trust to release outdoor play space funding held by SCDC for the refurbishment of the multi-sports court was agreed.

#### **NEXT MEETINGS**

A meeting to agree a response to the EAOW consultation will be held at 7.30pm on Monday 10 June in the Village Hall Committee Room. The next scheduled meeting of the Parish Council will be on Monday 1 July 2013. During the first 15 minutes of all Council meetings the public are welcome to raise any matters of concern with Councillors. The public may also speak for a maximum of 3 minutes on any item on the Agenda at the beginning of that item.

The approved minutes of Parish Council meetings are available on the Council's website.

### ST MARYS

Well I had hoped that at least one person would turn up for the churchyard clean up on Saturday the 11 May. As the day dawned, with rain threatened, I drove up to the church with a car full of gardening implements plus my trusty strimmer. Which, by the way, is the most temperamental and untrustworthy strimmer in the world. If anyone can explain to me why these machines do not start when ordered to please let me know. Anyway, I got up there and decided to put some petrol in the strimmer, it helps sometimes. Then lo and behold the first volunteer arrives followed by a second then a third and eventually eight people who gave up their Saturday morning to help out. Oh plus the person that came up to tell me that they couldn't come.

What an amazing and productive morning it was too. Huge thanks to everyone that came and put in such a lot of effort. Plus thanks to the tea lady and the lemon drizzle cake maker. Yum Yum.

It all looked so good afterwards. Also a very special thank you to the anonymous person that came up the following Friday with their lawnmower and cut the grass.

All in all a combined act of total unselfishness.

As I have said before (vicar close your ears) you do not have to be a churchgoer or deeply religious person to appreciate the wonder and grandeur of that old building that has been there in some form or another since the 12<sup>th</sup> century. If we do not look after it no one else will.

I had a dream the other night, it was 1<sup>st</sup> April 2050. A newspaper article reported that Playford church had been sold to a developer who is turning it into a block of flats with a disco club with an all-night licence. The outgoing vicar said "It's

such a shame, just a little more effort, like we had in 2013, and this need not have happened"

So well done to everybody that took part in the great clean up. You were and are stars.

The swift box, in memory of Geoff Booker has now been fitted under the eaves on the south side. We await the first arrivals.

Also the pulpit is under renovation and I am adjusting the delicate timing mechanism on the pulpit trap door. If during the next 10am service the vicar suddenly disappears during the sermon then you will know I need to give it one final tweak.

I shall bring my hammer.

*Colin Hedgley  
Churchwarden*

### CHURCH LIGHTS

**1<sup>st</sup> May** sponsored by Barbara Dunnett for daughter Jacqui's and Steve's Wedding anniversary

**2<sup>nd</sup> May** sponsored by Barbara Dunnett for Dylan Coates' 13<sup>th</sup> Birthday, Antigone's 9<sup>th</sup> Birthday and niece Julie's Birthday

Requests to sponsor lights to: Veronica Bunbury at Church Corner Cottage

Tel: 01473 623366 or email:

[vronx@btinternet.com](mailto:vronx@btinternet.com)

NB if the request is for the same day or at very short notice, it is advisable to telephone, or ring the doorbell if posting a request, to ensure that Veronica will be at home to set the lights.

## **PLAYFORD WI**

On 7<sup>th</sup> May our members were delighted to receive speakers from Norfolk and Suffolk Probation Services.

Herb, a Probation Officer, and Mike Cadman, a Lowestoft Magistrate, between them gave us an interactive talk of an actual incident involving a young offender. They explained how probation officers work together with the offender and the magistrates before sentencing. It was a most interesting insight into the workings of the Norfolk and Suffolk Probation Service.

Playford WI is only a small group of ladies and we welcome visitors at any of our meetings (the first Tuesday of the month).

Come along and see for yourself. We are always looking for new members.

*Sue Bruce*

## **PARISH COUNCIL**

These are condensed notes of the proceedings of the Playford's Annual Parish Council meeting held on the 1st May 2013. A full version of the minutes appears on the website:

[www.playford.org.uk](http://www.playford.org.uk)

### **ELECTION AND APPOINTMENTS FOR 2013/14**

Mrs Joan Metcalfe took the Chair. Mr Simon Hanson was nominated in his absence for the position of Chairman. Mrs Joan Metcalfe was happy to stand as Vice Chairman and as Parish Hall Rep.

Mrs Veronica Bunbury said she would continue as the 12PT/SNT representative for these meetings and as Footpath Officer.

Mr Paul Gardiner will continue in his role as the Internal Auditor.

### **ACTION POINT REVIEW/ HIGHWAYS**

Potholes in Brook Lane have now been filled. Rutting in Byway 19 is still a problem but SCC Highways are liaising with the landowner for a solution. Trees in Butts Road fouling overhead BT cables

are a major concern as a potential danger –either as a road accident or loss of communications. BT Openreach cannot act unless cables are damaged – Chairman will contact landowners to discuss. Concern has been voiced about large farm vehicles damaging verges in the village- Chairman to meet with farmers concerned. The number of cyclists using the village for events has increased and the council would like to be advised if any cycling events are taking place in future.

### **FINANCE**

The Annual Return and Statement of Accounts 2012/13 were approved and adopted by the Council. These were then signed by the Vice-Chairman and Clerk and will be sent to BDO Stoy Hayward shortly. The first instalment of the Precept has been received (£2,250). Cheques were authorised for Village Hall hire, SALC subscription, the internal audit and the Clerk's salary & expenses.

The small balance of the Suffolk ACRE grant is to be moved into the main Community account pending a decision on its distribution.

### **INSURANCE COVER**

Clerk to obtain quotes for including damage to car park disclaimer sign as this was damaged recently and not previously covered by insurance. Repair of attendant damage to iron railings is to be discussed with the Village Hall committee.

### **HIRE OF PLAYING FIELD**

Ground rules need to be established for the hire of the Village Playing Field for outside events. This does not automatically accompany the hire of the Village Hall and concerns have been raised about its use.

### **WIND FARM**

No further developments

### **PLANNING APPLICATIONS**

**C13/0709 Akenway, Hill Farm Road**

**Erection of two verandahs to front of dwelling and alteration of materials used.**  
Application has been supported by the Council.

### **THANKFUL VILLAGE**

#### **CHARITY RUN 2013**

#### **- BRIDGE EVENT**

The Bridge event, with afternoon tea, took place on the 15<sup>th</sup> May at Little Bealings Village Hall. We are most grateful to the people who attended and for the kindness of local businesses, whose generosity helped raise in excess of

£1,200 for The Royal British Legion. The support we received from Bridge players in and around the Ipswich area made the event, not only enjoyable, but also very successful.

A more detailed article will be prepared for the July Benefice Magazine, including information about the visit to Culpho Church by the 'Thankful Village' motorcycle team on the 31<sup>st</sup> July. Meanwhile, the organising committee would like to record their heartfelt appreciation to the following

*The Wentworth Hotel, Aldeburgh*

*The Mariners, Ipswich*

*The Froize Restaurant, Chillesford*

*Lux Farm, Playford*

for kindly donating the raffle prizes and to

*The Fountain, Tuddenham*

for providing Bridge Prizes.

Our thanks also go to Mrs Margaret Wilson, Little Bealings Village Hall, for all her help and assistance.
