Our Diocesan Bishop, Nigel said at a recent meeting of the Diocesan Synod, "It is easy to criticise politicians, but those who put their heads above the parapet and opt for public service should also be appreciated. It is not the place of the Church to tell people how to vote. But I do believe that the Church in our society should not be ignored and marginalised, and I am sure that people will listen carefully to how their local candidate sees the role of the Church". Bishop Nigel, who studied law and politics at University said, "I know that recent events have called into question the attitude of some, but my experience is that most people go into politics to serve and to try and make a difference. The new Bishop of Southall & Nottingham goes one step further. "Be a fool and vote", says The Rt. Revd Paul Butler, He still remembers the first time he went to vote. "I was excited that I could be involved and play my part in electing a new Member of Parliament. Actually it still excites me, because so many in history, and even today, have never had such an opportunity or privilege. There is a danger we lose sight of this, or become weary wondering if it really matters or makes a difference. It is a privilege and a responsibility, one we should exercise and not ignore. But where should the cross be placed?"

He then offers some advice on the principles on which political decisions can be taken. First to listen to others, to find out what the issues are, and to listen to God as we worship in these coming days. Secondly to be bothered to vote, make voting a prayer time, placing the cross with prayer, faith and care. Thirdly, to place the cross selflessly considering others and the dignity of all human beings first, especially the poorest and most vulnerable in society and in the world. We should not vote on the basis simply of self-interest. Fourthly to

place the cross dedicating ourselves to be more active in serving our fellow human beings, and thanking God for all he gives us to share, with loving responsibility for our planet, God's good creation, and for one another. The overriding principle is that we place our cross on the voting paper in the same Spirit that Jesus carried and placed his cross deep in the earth, listening to his Father, in prayer, selflessly for those who were poor, and commending himself and those around to God. This means that, whilst we vote in partnership with people of all faiths or none, certain parties or individuals cannot be voted for. Parties who adopt policies that are racist, that divide people against each other, and do not take into account the poorest in society cannot be supported by Christians.

"Of course", he says "all of us are sinners, so sin infects every political party, everyone standing and everyone voting in the election. Different Christians will have different opinions and take a different view on some issues, which is why a Christian party will never be all embracing. But all of us are called to join in the debates taking place now on the nature of our society and what really matters. All Christians are called to vote. If standing up for that can be seen as foolish by some today, we know that through Christians standing for election (and do pray especially for them) and through Christians voting and living out faith in society then the power of God will be seen moving in our nation. For the message about the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God." (I Corinthians 1.18). Can I encourage you to "be a fool & vote" on May 6th, I intend to do so.

GOOD NEIGHBOUR SCHEME - Services for those with Mobility Problems

This local Scheme is now up and running. Background information on how it works is available at:

http://www.suffolkacre.org.uk/main.php/community_development_and_enterprises/good_neighbour_scheme

If you need help with things like:

- lifts especially to doctors' surgeries and hospital appointments
- getting prescriptions
- minor domestic repairs, such as checking smoke alarms and changing light bulbs
- short term help with pets

then phone 01473 857796 and leave a message – someone will call you back.

For those who need regular transport, the Coastal Accessible Transport Service is a charity which provides lifts. Tel 01728 830516 for details.

Volunteers are needed to respond to the tasks - Leave a message on the same number to offer your help.

CAR SHARE SCHEME

The Parish Plan survey showed some interest in setting up car share schemes - which would save petrol and parking costs. If you are interested in joining a scheme – with a car or because you would like a regular lift – contact: Phil Holmes – 01473 735223 or email at: email@philholmes.net

CO-OPERATIVE OIL PURCHASE

Research has shown that there are no large discounts to be obtained for major bulk deliveries to the villages. But it may be possible to achieve small savings by combining with immediate neighbours and negotiating a price for a small group. Ask your usual supplier if this would reduce the price

If you would like to be involved in delivering any of the Actions please contact the AMG Chairman, Phil Holmes – 01473 735223 or email at: email@philholmes.net

ENGLAND IS THE PLACE FOR ME – THE WINDRUSH GENERATION STORY

Del White

During the middle of the twentieth century, a cultural invasion took place that marked the beginning of multicultural Britain. In 1948, the SS Empire Windrush docked in Tilbury, Essex, with passengers from the Caribbean Islands, mainly Jamaica, hoping to start a promising new life in the Mother Country. Del White discusses the testing journey and experiences of the people affectionately known as the Windrush Generation, particularly those who settled in Suffolk.

BEALINGS

WI

The *March meeting* began with the chance to sign up for future events, then hearing the delegate's account of an action packed day at the Federation's Spring meeting at Trinity Park. The walks/lunch group now enjoying brighter weather and hopefully less mud, interest in Quiz & Chips continues unabated and details given of summer boules sessions. An opportunity for an evening of Australia. Monopoly – the excitement of landing at Sydney Airport rather than Liverpool Station, the Great Barrier Reef opposed to the Old Kent Road and of course, purchases in Australian dollars. Mr Andy Malcolm, regional representative of the Fishermen's Mission, was the speaker. A former BT employee in Dagenham, he moved to Suffolk and was 'volunteered' for the job covering the huge area of East Anglia. Andy related how the Fishermen's Mission provides support, help and comfort for fishermen and their families in times of tragedy and hardship. The most dangerous job: in an average year 25 boats are lost and 65 men killed or seriously injured. The cost in lives providing fish for the nation is high. With sea songs, stories and a quiz this was a most thought provoking and vibrant evening.

Jennifer Cook

April Meeting

Fortified by a delicious lunch of quiche, new potatoes and salad, members settled expectantly for the April meeting. Updates on our activities of walking, involvement in quiz evenings, a blanket square 'stitch up' (six blankets!) and an Australian Monopoly evening were given and we were reminded of future events – the Group Meeting, the start of the Boules season, the village Plant Sale and our President's 'Butterfly Day' in support of the proposed EACH Hospice.

Next came a fascinating talk by Mrs Isobel Clarke of Hasketon WI, entitled 'For the Love of Books'. We heard the story of books from early papyrus scrolls to vellum, parchment and today's mass produced paper. We handled books from the 17th and 18th centuries, some sadly neglected, others restored to new splendour and the various stages of bookbinding were shown to us. The tools Mrs Clarke uses are little different from those used by the bookbinders of long ago.

The next meeting will be on 20 May when Mrs P Matherson speaks on 'Planting Hanging Baskets and Tubs'.

GREAT BEALINGS

ST MARY'S

At the time of writing we are trying to balance up the mini and the mega dimensions of life in April 2010. At the mega end of our perspective a cloud of volcanic ash hovers above us, stifling air travel and stimulating all sorts of travel inventiveness. The hot ash in the air is complemented by quite a lot of hot air in the political arena, as we are in the throes of a general election, the results of which are as unpredictable as any that can be remembered, and the outcome of which could be so crucial to the future direction taken by our country. At the mini end of the telescope we are locally focusing on preparing for the Plant Sale, worrying about lumps of masonry falling off the church, and about the potential activities of metal thieves. (Please exercise collective alertness to stranger activity!). We are also wondering when it will next rain, and trying to bring to fruition a History of our church.

And that's how it should be – local life and national life are part of the same picture – all the detail goes to make up that bigger picture, and we can and should be engaged in both. But, for now, let's concentrate on the local:

LOOKING BACK – AND FORWARD

EASTER SERVICES:

Our traditional Good Friday service was very well attended. The combination of poignant readings and Easter music is a powerful mix. Our thanks to our augmented choir for the important part they play in this service. Paradoxically, given the theme of suffering, a number of people commented that it was their favourite service of the year.

Our Easter Vigil at 7-30 on the Saturday evening. Intrinsic to the service is the lighting of a small fire, a taper from which is used to bring a darkened church back into light.

Our sincere thanks to our flower arrangers for the wonderful spring flower displays that they produced for us to enjoy.

ST MARY'S CHURCH AGM AND PCC MEETING – SUNDAY 18TH APRIL

Every year we seek a formula and a time when we might share with parishioners our view of the church's activities over the previous year. Despite the hoped-for allure of special refreshments we again failed dismally and no parishioners joined members of the PCC to look back on the accomplishments of the previous year (all recorded in our Annual Report), or to participate in the election of the PCC for the coming year. We really would welcome views as to a format which might give the necessary additional motivation for a greater attendance at a meeting which is not only a formal requirement but which could also help to stimulate imaginative ideas for the future.

Results of elections:

Churchwarden: Norman Porter
Hon Treasurer: Roger Roseboom
Hon Secretary: Eric Barnett
Minutes Secretary: Karen Walker
Deanery Synod Representative:
Pat Keep

Other PCC members: Charles Barrington, Virginia Porter, Jonathan Keer (to whom a warm welcome).

We are grateful to our sidesmen for all that they do to help set up services and are pleased that we shall continue to be able to call on their services this coming year.

We thank Charles Barrington for his work as Secretary over a number of years and for the efficiency with which he has written up the Minutes of Meetings. Pressure of work means that he feels he cannot continue to do the secretarial job properly, but he is keen to remain on the PCC and to help with the improvement and maintenance of the

fabric of the church and churchyard.

OTHER POINTS EMERGING:

It was agreed that money should be spent on a major overhaul of the organ. It is some 50 years since such an overhaul was last carried out.

Stonework specialists have been called in to inspect the tower and to determine the cause of falling masonry. A number of stones have cracked as the result of frost damage. An estimate of the work is awaited, but it is feared that any work will involve rather costly scaffolding.

We are also seeking quotations for a new flagpole. It would be good to see the flag of St George once again fluttering on appropriate occasions from the top of the tower.

One of our church-lockers, Brian Caven, has suggested that our stained glass windows would provide a wonderful image for a locally inspired Christmas card. It was agreed that we should look into this, but that printing would be dependent on our obtaining prior orders. Further details to follow –probably not for 2010.

Emergency access to the church: there is reference in the Parish Plan to an apparent lack of emergency access. Having duly considered this, the PCC are of the opinion that they can envisage two possible emergencies:

a/ Fire –There could be emergency access for a fire engine to the churchyard from the gate down by the river.

b/ Ambulance –an ambulance could get down to the “Keer” gate, just 30 yards from the building, so this should not be a major problem.

It was pointed out that a lack of easy access is conversely an advantage, in that it acts as a deterrent to would-be thieves. Further comments on this are welcome.

ROGATION SUNDAY –SUNDAY 9TH MAY

There is a 10-00 service at St Mary’s, Great Bealings, followed by a walk across the fields to coffee in Little Bealings Church. We then proceed to Lux

Farm passing William Stennett’s fine herd of Belted Galloway cattle. We then enjoy our own picnic lunch, before heading off to Playford village and back home along the lovely valley of the Fynn. Come and join us.

CHURCHYARD

The grass is beginning to grow again, but we did have a small working party digging up nettles and generally clearing up before the surge of spring growth. The daffodils have again been looking particularly beautiful.

An art group will be honing their skills in the churchyard on Wednesday April 28th and Wednesday May 5th...

CHURCH RECORDERS

Some two dozen church recorders are continuing their valuable work recording and documenting everything within the church. They have been excited at what they are finding. Seeing our treasures through new eyes is a reminder of the richness of our heritage. They will continue their visits every other Monday at least until the end of October.

GREAT BEALINGS LIGHTS

For several years now, Pat Keep has kept a note of requests and gone backwards and forwards from Croft Cottage ensuring that the lights are on for all those occasions which you, our readers, commemorate in lights. This is a demanding job, requiring commitment and conscientiousness of someone who is busy enough as it is. Pat has now resigned from this task, so we thank him for his work of the years, which has brought in hundreds of pounds for church funds.

We are pleased to report that Roger Roseboom, who, as Treasurer, has a vested interest in maintaining this source of income, has agreed to combine dog-walking with supervision of the lights, so future requests should please be directed to him at Thorneycroft, Lower Street, together with the traditional fiver. Alternatively he can be contacted on 735153 or emailed at

roger.roseboom1@btinternet.com.

PAT'S LAST LIGHTS REPORT

Lighter evenings at Great Bealings church

The church has been illuminated once in the past month, for the wedding of Cora-Sue to Darren. Cora Sue and Darren knew each other when they were much younger so their whirlwind romance does have a lot of background. It also means that there has been another injection of young people into Lower Street. It has been great to start to get to know them and we wish them a great life together and hope they enjoy the

village and all it has to offer.

If you would like to commemorate an event or person dear to you, it is still the usual fiver. Our arrangements have changed however, money and note please to Roger Roseboom at Thorneycroft (the one with the iron railings) on Lower Street.

PAROCHIAL CHURCH COUNCIL

Little Bealings Parochial Church Council held their Vestry and Annual Parochial Church Meetings in All Saints Church on Tuesday 23 March 2010.

VESTRY MEETING

Pauline expressed sincere thanks to Paddy and Geoff Bills, on behalf of the PCC, for the care and stewardship they gave to All Saints and for agreeing to stand for another year. She also expressed thanks to them for their support for her personally.

2009 ANNUAL REPORT AND ACCOUNTS

Events of the past year were briefly outlined:

◇PS emphasised the strong community

feeling that existed and supported All Saints.

◇There had been fewer occasional offices.

◇There were six young candidates preparing for confirmation in April.

◇Tiddlywinks had evolved into a drop-in session for parent/carers and toddlers.

◇The Angela Cobbold Hall, despite some building repair problems, had become a valued and valuable community focus thanks in large part to the hard work of the management committee. The hall was well used and well cared for.

The full report, including financial statements which had been examined, was proposed, seconded and adopted by the meeting. Copies are available from the Secretary or can be viewed in All Saints.

Our meeting was held on the 3rd March at 7.30. Our evening began with acknowledging the retirement from the Executive Committee of June Gosling who has served 9 years on this committee. She was presented with flowers and a gift and grateful thanks all round. Our speaker was Mrs Christine Griffiths; her talk entitled "The Fun of Bed and Breakfast" was most entertaining. Regaling her memories over the years she told us she has had people from 41 nationalities staying with her in her home at Colchester, and at one time between the months of June through to September she had 450 people passing through. Changing that many beds and cooking that amount of breakfasts made us in awe of her. Mrs Griffiths had run a B & B for 14 years and during that time,

she never had any breakages or had anything stolen! And only one person left without paying.

In April we welcomed Mrs Tina Oldfield to speak on the 'Trek for Life' that she had undertaken in memory of her young daughter who died of breast cancer. Accompanied by her husband, sister and brother in law, she trekked to the base camp of Mount Everest: no mean feat normally, however this time hindered by both unexpected bad weather and a volatile political dispute. Such were the challenges, it was an impossible task. Undaunted they returned the following year, successfully reaching base camp and commemorating her daughter and raising money for the charity too. The talk was illustrated with inspirational shots of the Himalayas, frightening descriptions of altitude sickness and enlightening tales of the lands peoples and culture. A bonus where some beautiful photographs Mr Oldfield, an ornithologist, had taken of some of the most exquisite birds we had seen! The evening closed with the DVD shot by Tina, altogether a moving and thought provoking evening.

Our next meeting will be held on the 4th May in Playford Parish Hall starting at 7.30. It will be The Resolution Meeting with a Hands on Demonstration by Yvonne Woollard. Visitors most welcome. The competition will be: a small posy of bee friendly flowers from your garden. We will be holding a social morning at Playford Parish Hall at 11.30 am on the 18th May. We will be making a material brooch, enjoying a quiz and chat. Please bring your own lunch. Everyone very welcome, items required for brooches are 4 pieces of material 3" square, needles, thread, scissors and a few buttons and beads also a small amount of imagination!

ST MARY'S CHURCH

Our annual PCC meeting was held on Thursday 13th April in St Mary's Church. It was recorded that on this occasion apologies were received from Mr Brian Seward this was to be his only absence in the last 44 years, reports were given and a copy of the 2009 annual report can be obtained from the secretary upon request. It has been a busy year for St Mary's in trying to progress with the proposed building works, we were a victim of the localised lead thefts, we continue to work as a team and move forward into another year of church life. Geoff and myself were re-elected as your churchwardens, Pauline remained our Chairperson, Eileen Stennett as Vice chair, Lisa Wigmore as Safeguarding Officer and Deanery Synod representative, Paul Gardiner as Treasurer, Gina Corani as PCC Secretary and Alison Baker as our Elder. This year we sadly received Astrid Llewellyn's resignation from the PCC, we would like to convey our thanks for the time Astrid has given to St Mary's. During her time she has been involved in, to name a few, the opening and closing rota, side persons rota, cleaning, flowers and magazine delivery and she will be missed and so again a very big thank you. Geoff and myself will continue to serve St Mary's and pray that this year, we will see new faces and the young of the village continue to show an interest in church life. We are always grateful for any offer of help be it cleaning, flowers, reading or any other task you feel able to offer, do please come forward and speak to one of us. A heartfelt thank you to our hardworking band of volunteers who participate in all aspects of our church life. I look forward to our rogation picnic and would also like to take this opportunity to pass our thanks to Pauline our Priest, for her commitment to Playford and the Benefice.

Churchwardens Joyce Dunnett and Philip Merry were appointed for a further term of Office and all members of the Parochial Church Council re-elected. A copy of the election results can be found on the Parish Notice Board. Grateful thanks also went to members of the Church and resident community for all the help and support they provide. In addition the Rev'd Canon Pauline Stentiford thanked all present and in particular Mrs. Joan Hercliffe who agreed to continue reading the lessons at St. Botolph's.

The next P.C.C. meeting will take place on Wednesday 5th May 2010 at 5 p.m. in the Church.
