Our cathedral church has a new boss! During October The Revd Canon Dr Frances Ward was collated and installed as Dean of the Cathedral, succeeding the Very Reverend Neil Collings who died earlier this year. After Bishop Nigel she is the most senior priest in the Diocese which encompasses most of Suffolk. The service was one full of colour and pomp, with several bishops, many visiting priests and laity including robed Judges and local civic dignitaries. The ceremony was set within the service of Choral Evensong. Dr Ward was escorted into the Cathedral to a triumphant fanfare played on trumpets and organ and presented to the congregation by members of the chapter of Bradford Cathedral where she has been its Canon Theologian since 2006. She was then led up through the Cathedral nave before being presented formally to the Bishop. She then affirmed her belief in the Church of England and its laws, before taking the oaths of allegiance to the Bishop, the Queen (in the form of the Lord Lieutenant of Suffolk) and the Cathedral.

She will direct the life and work of the Cathedral and because the Cathedral is

also a parish church she becomes its vicar. Dean Frances has experience of working in a Cathedral environment with special responsibilities for resourcing all aspects of study. Since being ordained she has been a parish priest, worked in a theological college and been a bishop's advisor on Women in Ministry. She was born in Australia but grew up in Ely before going to study for a first degree at St Andrew's University, changing course after a year to study theology and eventually feeling God's call to be a priest. Dean Frances believes that before trying to find the answer to the question of whether God exists, it is important to get into the habit of God, the habit of prayer, of loving your neighbour as yourself and of putting yourself to one side and not being narcissistic. She also believes that it is important to recognise that women can be leaders as well as disciples. "Christ was male, but the God he incarnated was neither male nor female and Christ transcends gender at the altar." It was a joy to be at the service and I am sure that we will be seeing a lot of Dean Frances in the future both in person and in the media.

2011 CENSUS

The 2011 Census questionnaire will be coming through your letterbox next spring. On 27 March 2011 all residential households in the United Kingdom will be taking part in a census. Since 1801 (apart from in 1941 during the war) a day has been chosen every ten years for this purpose. The census provides an excellent source of information about the population. This enables central and local government, health authorities and many other organisations to plan housing, education, health and transport services for years to come. The census statistics feed into resource allocation for local authorities and play a major part in their ability to provide local services, so it is crucial the population estimate is as accurate as possible. When the questionnaire envelope comes through the door you'll easily recognise it by the purple 2011 Census logo. Take care of it. If, like many people, you want to complete the questionnaire online, your individual

internet code is on the front of the questionnaire.

More information about the 2011 Census is available online at:
www.census.gov.uk

The census is also recruiting staff to help ensure a high census return rate. There are part-time and full-time jobs and you would be able to work close to where you live. To find out more, or to apply for a job, visit

www.censusjobs.co.uk
or contact your local jobcentre.

UK YOUTH CLIMATE COALITION

Four years ago to the day I was leaving Suffolk and heading to study International Development at the University of Sussex. Since that fateful day I've learned how climate change is the biggest challenge that my generation faces, and it was during that time that I was inspired to act. For the 18 months since graduating I have been volunteering full time for the UK Youth Climate Coalition (www.ukycc.org). As part of that work I've now been given the opportunity to stand alongside 10 other young people from around the UK as a member of the UK Youth Delegation to the UN climate negotiations in Cancun, Mexico, this November.

The delegation will join other youth delegations from around the world in Cancun to make sure that decision makers at the UN know that it is our futures they are negotiating with. We will also be reporting back to the UK the personal side of the negotiations, the progress that is made, what decisions are taken, and what they mean for the UK and its young people. But I need your help. Even as one of the directors of the UKYCC I, like all the other delegates, must raise the £1500 needed to cover the costs of our places. Having volunteered for more than a year now I am totally reliant on the kind donations of individuals and organizations, and I am therefore writing to ask for your help. Any donation, however small would be very much appreciated. With thanks,

Ellie Hopkins

Should you wish to donate by cheque please address it to "The UK Youth Climate Coalition" with a covering letter specifying the donation is for Ellie Hopkins, and send it to Broom Bank, Sandy Lane, Little Bealings, Woodbridge, Suffolk, IP13 6LW. To donate online go to www.un.ukycc.org/cancun

GONDOLIERS – IPSWICH G&S ON TOUR!

For the first time in their 80 year history, Ipswich Gilbert & Sullivan Society are this year presenting their annual stage show in both Woodbridge and Bury St Edmunds.

The Gondoliers, with words and music by the famous duo WS Gilbert and Arthur Sullivan, marks the Society's 80th anniversary this year as a repeat of the opening show of 1930 - however, this version will be a modern take on the classic operetta; the story remains the same and the well-loved songs and melodies are all there, but you'll find some interesting parallels and up-dated jokes amongst Gilbert's own comedy. The story is set in Venice where two brothers live, Marco and Giuseppe. They are happy being gondoliers until one day an imposing stranger announces they are not, in fact, brothers but that one of them is the only son-and-heir of the late king of Baratara. Precisely which of the brothers is a king and which a gondolier is unfortunately a mystery. It is doubly inconvenient when they discover that the king, whichever he is, was married in infancy to the daughter of a Spanish duke - as only half an hour earlier, the brothers were both married to two local Venetian girls. Being forced to leave their new wives behind, the gondoliers go off to Baratara, set up a republican kingdom, where all are equal, and they reign in a coalition government - but surely this can't go on for ever?

The Apex, Bury St Edmunds
5th November 7.30pm

Tickets are £11 for Tuesday 26th and Wednesday 27th and £13.50 for all other performances. A limited number of £5 seats are available at all shows. Available on 01473 858108 or via the Society's www.ipswichgands.org.uk website

MORE LOCAL ORGANISATIONS AWARDED BPF COMMUNITY GRANTS

The latest round of BPF local community grants brings the total amount awarded to date by the scheme to nearly £15,000 since the Britten—Pears Foundation launched it in 2009. The most recent awards are:

£2,000 to Aldeburgh Primary School towards a secure outdoor learning environment to meet the needs of the growing numbers of early years pupils;

£1,000 to Leiston Film Theatre Support Club towards an ambitious project to bring digital 3D movie-going to the district;

£1,000 to Coldfair Green County Primary School to buy and restore violins for year 2-4 pupils in the school's inclusive and popular violin group;

£625 towards curtains that are the finishing touch to a major refurbishment achieved by Westleton Village Hall Committee;

£500 to provide equipment storage for Fromus Croquet Club in Benhall, a new and growing group promoting the sport in the local area.

The grants are easy to apply for, and the next funding round is now open. It closes on 26 November 2010, but the round after that does not close until 29 July 2011.

These BPF grants aim to support the vitality of community life in Aldeburgh and its surrounding villages, especially Orford, Snape and Blythburgh, though the scheme is open to any non-commercial organisation operating within a 20 mile radius of Aldeburgh. Grants are awarded on a one-off basis for specific projects, rather than ongoing running costs.

To apply for the next round, please download the guidelines and simple application form from www.brittenpears.org,

or call 01728 451700 to ask for a printed copy. Please do read the guidelines carefully, as applications are considered against the criteria set out there.

BEALINGS

JOIN THE POPPY PEOPLE

We are looking to recruit a Volunteer Poppy Appeal Organiser to cover Little Bealings and/or Great Bealings for the Poppy Appeal which takes place from 30 October - 14 November each year. This voluntary role involves organising collectors in the villages, whether this be house-to-house or static collections (i.e. in the post office/school) WE DO have poppy collectors already in place, but need an organiser to oversee the appeal in this area. Packs and information details are provided.

If you are interested please contact Jane Cooper - Community Fundraiser 01284 725833 or 07917554969 JLCooper@britishlegion.org.uk

It is the 90th Anniversary for the British Legion next year and we would like to make a real difference to support our Armed forces both past and present.

WI

After a summer of travel near and far it was refreshing to hear Mrs. V. Westren's illustrated talk, Exploring England, and of her journeys to lesser-known places as well as the more visited spots. Bealings WI's own expeditions were to Norwich and Bury St. Edmunds and to local theatres. A visit to Viridor Waste Management is planned, in contrast to the Christmas Spectacular at the Seckford Theatre.

HELP! We continue to support Tools With A Mission, collecting unwanted sewing and knitting machines, cottons, zips etc. Wool and 6" x 6" knitted blanket squares are always welcome. Heart Research UK is appealing for beads and bangles, or any broken or redundant jewellery and we are collecting used postage stamps for BBC Radio Suffolk's Tree House appeal. Goods may be left at Longcroft, Sandy Lane, Little Bealings.

ST MARY'S

The focus has moved very much back to local events and activities. We can look both backwards and forwards to busy times. With Christmas now less than two months away diaries should be flipping open ever more frequently.

LOOKING BACK.....

WORKING PARTY: Many thanks to those who turned up at the churchyard on October 2nd, for making a good start to clearing it up for winter. The place vibrated with the whirl of strimmers, and we have done our best to trim the vigorously growing hedges. Piles of rubbish await conditions conducive to having a bonfire. The damp autumn has prolonged the growing period of grass and hedges, so the whole place was a vibrant green at the time of writing. We now await the first frosts.

HARVEST FESTIVAL: On the following day, Sunday October 3rd, we had our Harvest Festival Songs of praise, followed by a barbecue. Roger Roseboom, resplendent in apron, master-minded the barbecue, while Pat Keep and family ensured expert construction and demolition of our marquee. In the event, the marquee had to be used to shelter the barbecue itself from inclement weather, while the food was consumed inside. The over-all verdict was that this had been a successful occasion, enjoyed by those attending. Our thanks not only to Roger and Pat, but also to those who provided delicious salads and puddings to accompany the barbecued meat and to the team of helpers who cleaned the church and ensured that the ledges and windows were adorned with beautiful autumnal flowers, foliage and berries.

AN OPEN INVITATION

We are always looking for new people to join our various teams of lockers/unlockers, cleaners, flower arrangers, sidesmen, working parties. These are not solitary occupations – you are part of a team, and that is one way in which

you can feel part of village life. Do please have a word with the churchwarden if you feel you would like to offer your services in some capacity. The church is dependent on such support and you will be made very welcome.

HISTORIC CHURCHES CYCLE RIDE

We have been able to send a cheque for £160 to the Suffolk Historic Churches Trust, so a massive thank you to those generous people who kindly sponsored the churchwarden and spurred him on to keep pedalling away throughout the eight hours of the event.

QUINQUENNIAL INSPECTION

This duly took place on September 30th. The inspecting architect was impressed by the various works that had been undertaken since the last inspection (New toilet/store, vestry refurbishment with kitchen facilities, new heating system, new tarmac and gravel on paths), and suggested informally that we should not be faced with anything too horrific, even though a number of important routine repairs remain outstanding. We await the final written report with the usual mixture of muted confidence and apprehension.

.....AND LOOKING AHEAD

MEMORIAL SERVICE –Peggy Honore - Tuesday November 9th

This will take place at 12-00 midday. Peggy was well known in the village and played a full part in the life of the church. All are very much welcome to attend the service.

CONCERTS

Our autumn concert season offers two contrasting concerts, both of which are now imminent. We do urge you to support these local events, both of which are in aid of the church organ fund. It takes time and energy to organise such occasions, and that input can only be justified if the events are broadly supported and if they are a financial and social success. If they are to continue, it is important that you encourage friends and family to come along and to show

that a demand for such entertainment exists. The whole thrust of the recent refurbishment of the church has been to make it more multi-functional, serving a purpose beyond that of weekly church services, so do please avail yourself of the opportunities on offer. At this time of year there can be an embarrassment of choice, but do see if you can allow yourself to be tempted by:

Woodbridge Excelsior Band

- in the church at 7-30 pm on Saturday 6th November.

Tickets (to include interval refreshments) are priced at £7 for adults and £3-50 for children, are available from Norman Porter. Cheques payable to St Mary's Church, Great Bealings, please.

The Kertesz String Quartet

- Saturday 20th November at 7-30 pm. Annesley.

Farran Scott (Douse) is again bringing together a group of friends and professional musicians to offer us a musical treat, in the form of the very first appearance of the Kertesz String Quartet. We are grateful to Chris and Judy Chestnutt for staging the concert in the congenial surrounding of their home, Annesley, in Boot Street. The quartet performs on period instruments, recreating the sound world of 18th century Vienna, with pieces by Haydn and Mozart.

Entry is by programme only. These are priced at £10, to include a glass of wine. Numbers are necessarily limited so you are advised to make contact as soon as possible with Farran (01473 738352), Chris Chestnutt (01473 735343) or with Norman Porter (01473 735565).

BUILDING WORKS AT ST MARY'S CHURCH

During November building works will be taking place at the church, please be very careful if you are visiting the church or walking through the churchyard to avoid tripping or slipping.

PLAYFORD POSADA

Please join in our Posada again this Advent. Mary & Joseph will leave Playford Church on Sunday 28th November at 12 noon after a short story & prayer, to stay with the first host family. They will then visit all the families taking part for one or two nights returning to church on Tuesday 21st December at the 6.30pm Carol Service.

I have a list of all the people who took part last year and will be contacting you but I would be pleased to hear from anybody else who would like to join in. All you have to do is to host Mary & Joseph, who will be delivered to you, and then pass them on to the next family. I look forward to hearing from you.

CHRISTMAS FILM FOR FAMILIES

Start the Christmas holidays with a bang - come to Playford Parish Hall on 18th December at 2.30pm for 'UP', a prize winning film in which superb animation turns Disney's tale of a grumpy old man and plump little boy into a

touching and exciting flight of fancy. This year it's not just a film on offer but children's tea as well, including pizza, all for the entry price of £4 for under 16s. Adults' tickets: £2 pp. Pay at the door or, if you want to reserve places, contact Judith Dunnett on 624077 or Anne Day on 735444.

Please Note - The evening film for the grown-ups has been postponed. It is hoped to reschedule it early in the New Year.

PLAYFORD DAFFODIL PLANTING – THANK YOU

A big thank you to all of those donated funds, time and even cake (!) toward the Daffodil planting project.

On Saturday 9th over 400 daffodils were planted on the three main triangles of the village: Hill Farm Road, Brook Lane and Church Lane corners.

The weather was kind to us, the delightful light Suffolk soil kinder still and within the hour the promise of colour safely bedded ready for next spring. Workers were rewarded with an abundance of yummy refreshments and hopefully we will *all* be rewarded next year when those cheerful yellow blooms greet us as we come to and from the village each day!

Thank you.
